

MONTGOMERY HOG OWNERS!

HAVE WE GOT A "TIP" FOR YOU...

From the inventors of the "SHANKLESS" TWO-PIECE HARDFACED HOG HAMMER, Ellison Sales, Inc. introduces the latest innovation in hog maintenance - the Ellison replaceable-tip hog hammers and lower teeth for your Montgomery Hog. Precision machined out of our special materials, these inserts are designed to wear like hardfaced parts. The differences:

NEW!!!

ELLISON INSERT TOOTH ASSEMBLIES

T-3 insert hammer and 1.5" x 6" tooth shown.

- ✓ No messy hardface welding and grinding of hammers!
- ✓ No more shipping parts back and forth to be rebuilt!
- ✓ No more waiting for parts to get back to you!
- ✓ No more wondering if the parts are going to fit!
- ✓ No more cracking/breaking off of hardfacing!
- ✓ You can "REBUILD" HAMMERS IN MINUTES!

Available for T-3, straight and overlapping cut, 1.5" x 4", and 1.5" x 6" teeth.
